

**Grassy Waters Preserve  
Proudly Presents:**

# EXPEDITION ICE AGE

**OCTOBER 1<sup>ST</sup> - DECEMBER 31<sup>ST</sup>**

**Come discover an extraordinary era  
when amazing now-extinct  
creatures swam the ancient seas  
and roamed the dry grasslands of  
Ice Age Florida.**

**This exciting exhibit features:**

- A 7ft saber-toothed cat skeleton
- Fossils of other amazing Ice Age "megafauna" mammals
- Paleo-Indian artifacts
- Special "Meet the Paleontologist" events on select weekends

**Exhibit Open Monday - Saturday 8:30am - 4pm, Sunday 9am - 4:30pm**

**With Generous  
Support From:**

**Grassy Waters Preserve Nature Center  
8264 Northlake Blvd  
West Palm Beach, FL 33412
