\* \* \* \* \*

WHEREAS, the City Commission adopted Ordinance No. 1913-85 on December 2, 1985, creating the Arts in Public Places Committee, consisting of seven members, which ordinance is codified in Chapter 78 of the Code of Ordinances; and

WHEREAS, the City Commission adopted Ordinance No. 4504-14 on March 31, 2014, amending and restating the Arts in Public Places program, which ordinance is codified in Chapter 78 of the Code of Ordinances; and

WHEREAS, Ordinance No. 4504-14 directed that this Ordinance be reviewed after one year of implementation and that a report on the implementation along with any suggested revisions to the program and ordinance be brought back to the City Commission; and

WHEREAS, the consultant retained for the art in public places master plan, the AIPP committee and City staff have made recommendations for revisions to the Ordinance and have presented such recommendations to the City Commission; and

WHEREAS, the City Commission concurs with the recommendations and desires to amend the City Code of Ordinance.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF WEST PALM BEACH, FLORIDA, that:**

**SECTION 1:** The Code of Ordinances of the City of West Palm Beach is hereby amended at Chapter 78 (Streets, Sidewalks and Public Places), to amend and restate Article V (Art in Public Places) to include private property within the program, and this article shall read as follows:

**ARTICLE V. ART IN PUBLIC PLACES**

**Sec. 78-121. – Purpose and intent.**

The purpose of the art in public places program is to establish a program for the integration of public art into both public and private development projects throughout the city to visually enliven the city, illuminate the city's history, diversity and culture, and foster economic development. The art in public places committee is established as an advisory committee for the program.

**Sec. 78-122. Definitions.**

Funds shall not be utilized for artist receptions, dedication art events, promotional materials for the artist, or expenses for the operation or maintenance of public art on private property.

(c) Committee funds. The art in public places committee is authorized to spend not more than ten thousand dollars per fiscal year from the fund, which may be used by the committee for small projects distributed among the art districts identified in the art in public places master plan, and in compliance with the master plan, or for other authorized committee duties.

(d) Commission approval. Except for the ten thousand dollars per fiscal year, as provided above, use of the art in public places funds shall be approved by the city commission.

(e) Procurement. The procurement of goods, services or construction for the art in public places program or using art in public places funds shall comply with the procurement code, as applicable.

(f) Carryover. Any monies not expended in the fund in any fiscal year shall be carried over in the fund into the following year. Any interest earned on the funds shall be retained in the fund.

(g) Contract required. Prior to the use of any funds for artwork on private property, a written agreement detailing the use of funds, the ownership and maintenance responsibilities and other terms as determined by the city attorney shall be entered into with the property owner and approved by the city commission.

**Sec. 78-127. - Enforcement.**

(a) Certificate of Occupancy. Unless an alternative deadline is established in a development order, or a time extension is granted by the director of development services, no certificate of occupancy for the project shall be issued until the artwork is installed, the final revised construction cost affidavit and accounting of the escrowed art funds has been provided; and/or the full art assessment has been paid to the city.

(b) The provisions of this article may also be enforced through any remedy available to the city in law or in equity. Violations may also be enforced through the code enforcement provisions of chapter 26 of this code; or through the provisions of section 1-13 of this code; or the city may institute a civil action in a court of competent jurisdiction to seek injunctive or other relief to enforce compliance with the terms of this article or any rule or regulation promulgated under this section, to enjoin and prohibit said violation or to compel the performance of actions which will result in compliance with the terms of this article. The city shall recover its court costs and reasonable attorneys' fees in any legal proceedings commenced to enforce this article. These remedies are cumulative and the use of any appropriate remedy shall not constitute an election of other remedies by the city. The use of one remedy shall not preclude the use of any others.

**Sec. 78-128. – Applicability.**

(a) The art in public places program requirements defined in this section shall apply to the following activities:

- (1) Private development projects as set forth in Sec. 78-129
- (2) Public construction projects as set forth in Sec. 78-133.

(b) Exceptions. The requirements of this article shall not apply to the following development or activities:

- (1) Single-family residences not developed as a planned development;
- (2) Ordinary property maintenance;
- (3) Repairs and restoration resulting from fire, flood, windstorm or other casualty or natural disaster, as determined by the building official;
- (4) Affordable residential housing units;
- (5) Institutional uses, such as churches, hospitals, and public or not-for-profit private schools;
- (6) Premises which are owned or leased solely by a non-profit entity and used in furtherance of the non-profit purpose;
- (7) Industrial and commercial development that is not open or accessible to the general public due to the storage or use of hazardous, radiological, or infectious materials, national security reasons, or other reasons related to the health, safety or security of the public.

**Sec. 78-129. Public art assessment for private development.**

a) *Applicability.* The provisions of this article and the public art assessment section shall apply to all private development projects, including new construction, or the renovation or improvement of an existing building, where total construction costs are equal to or greater than \$750,000. All buildings within new planned developments shall be assessed cumulatively towards this art in public places requirement, even if the buildings are permitted separately or developed in phases. The provisions of this section apply to new development or new construction within existing planned developments.

b) *Requirements.* All private development meeting the applicability requirements of this section shall be assessed a sum in accordance with this section, which funds shall be utilized for public art in accordance with this article. Notwithstanding the foregoing, the public art assessment for any single project shall not exceed \$2 million. All applicable private development shall be required to elect one of the following within 90 days of the issuance of the first building permit for any portion of the project:

- (i) Option 1: Submit documentation evidencing the escrow of funds for a work of art or historic or cultural elements valued in an amount not less than one percent of the total construction costs, and submit an application for approval of the work of art or historic or cultural elements, in compliance with this article. If a local artist will be commissioned to provide a work of art, the work of art shall be valued at not less than ninety percent of one percent of the total construction costs; or
- (ii) Option 2: Contribute an amount equal to eighty percent of one percent of the total construction costs for deposit to the art in public places fund. The public art assessment shall be paid in full prior to the issuance of a certificate of occupancy; or
- (iii) Option 3: Submit documentation evidencing the escrow of funds for a work of art or historic or cultural elements valued in an amount less than one percent of the total construction costs and contribute eighty percent of the balance of the public art assessment (one percent of the total construction costs) for deposit in the art in public places fund.
- (iv) Option 4: Submit documentation evidencing the escrow of funds for a work of art or historic or cultural elements valued in an amount not less than one percent of the total construction costs, which art will be part of a private art program that meets all requirements of a private art program.

**Sec. 78-130. Inclusion of art or elements in the project.**

(a) *Historical or cultural elements.* The developer may choose to retain or incorporate historically important or culturally significant elements in the project in lieu of or in addition to artwork. Historical or cultural elements may include distinctive features, finishes, and construction techniques or examples of craftsmanship that characterize a historic period or

**ORDINANCE NO. 4635-16**

culture. The total value of all historical or cultural elements and/or artwork must equal one percent of the total construction costs.

(b) Location. Artwork and/or historical or cultural elements must be located to be readily visible to the public based on normal traffic of vehicles and pedestrians in the area.

(c) Process. If the developer chooses to provide artwork or historical or cultural elements, the developer shall follow the following process:

(1) Escrow and accounting of funds for artwork. The developer shall submit documentation to the city showing that a deposit for public art was made with the developer's attorney into an escrow account not more than ninety (90) after the issuance of the first building permit, in an amount equal to one percent of the total construction costs.

(2) Art consultant. If the developer chooses to provide artwork, the developer may utilize up to 12 percent of the escrowed art deposit to retain an art consultant to assist in the selection and procurement of the required work of art. The art consultant shall have no financial or other relationship with the artist or developer, nor any ownership in the artwork purchased by the developer. The artist shall not be entitled to the art consultant fee.

(3) Artist selection. Selection of the artist will be the responsibility of the developer. The selected artist shall be an artist as defined in this article. The commission of the artist shall be by written contract between the developer and artist.

(4) Application for approval of proposed art or elements. An application for approval of the work of art or historic or cultural elements shall be made to the arts in public places committee within ninety days of the issuance of the first building permit. The application shall include:

- i) Artist's qualifications, including resume and portfolio establishing the artist's credentials;
- ii) Detailed description and depiction of the work of art and its location on the site;
- iii) Drawings and renderings of the proposed work of art, in terms of size, scale, color, shape, and materials in sufficient detail to provide a clear understanding of the art or elements proposed;
- iv) Appraisal of the value of the art or element;
- v) Documentation showing that a deposit for public art was made into an escrow account;
- vi) Maintenance program required for the artwork or elements;
- vii) Compliance with public accessibility (ADA) requirements.

(3) Committee review of contribution of art and elements. The art in public places advisory committee shall review the proposed artwork or historical or cultural elements based on the standards established in this article and shall recommend to the city commission whether to approve, deny, or approve with conditions the selection and location of the artwork or elements with sensitivity to the aesthetic and cultural traditions and the history of the city and to the character of the surrounding neighborhood.

## ORDINANCE NO. 4635-16

(4) *Appraisal.* To establish the value of the artwork to be installed or historical or cultural elements to be installed or retained by developer to comply with this ordinance, the city may employ an independent art appraiser to provide a written appraisal of the art work(s) submitted or cultural or historic elements. Such appraisal will be paid for by the developer from the escrowed art deposit.

(5) *Construction cost overruns.* If the final cost of the total construction for the project is higher than the initial project cost estimate used to calculate the art assessment or escrowed art deposit, the developer shall either: i) provide additional art for the project valued at one percent of the increase in the total construction cost or ii) provide an additional deposit to the art in public places fund valued at one percent of the increase in the total construction cost. The additional art shall be installed or the deposit shall be made prior to issuance of the final certificate of occupancy.

(6). *Accounting of escrow.* Prior to the issuance of the final certificate of occupancy for a project, the developer shall submit a revised construction cost affidavit, which shall be submitted whether developer elected to pay the art assessment or install artwork. The developer's attorney or escrow agent will provide the city a final written affidavit and accounting of the payment for art and any art consulting fees from the escrowed art deposit at the conclusion of the placement of artwork. This affidavit shall be in a form acceptable to the city. Any surplus balance in the escrow account after the developer has completed the installation of the required art work shall be disbursed to the city and deposited into the art in public places fund.

### **Sec. 78-131. - Ownership and maintenance of private art.**

Artwork installed on private property pursuant to the requirements of this article shall be the property of the property owner. Title and ownership of the artwork shall transfer in whole or in part to any successor in interest of the property. The property owner shall be responsible for maintenance of the art work in good condition at all times, as determined by the city's code enforcement official. The property owner shall be responsible for ensuring that the public's view of the artwork is maintained and no vegetation or additional construction shall obstruct the public's view. Maintenance shall include any associated landscaping or related improvements. In the event of destruction or casualty to the artwork, the property owner shall repair or replace the artwork with art equal in value to the value of the artwork originally installed. If the artwork is to be replaced, the art in public places advisory board shall review the proposed artwork and shall recommend to the city commission whether to approve, deny, or approve with conditions the selection of the artwork in accordance with the art in public places implementation guidelines.

### **Sec. 78-132. - Removal or replacement of art.**

a) Artwork or elements installed in accordance with this section shall remain on site in the approved location and cannot be altered, replaced or removed except as provided in this article, or when deemed to be unsafe by the city building official, or necessary replacement due to damage from natural disasters. The seller of any property containing artwork installed in compliance with this article shall include restrictions by deed or other instrument that requires retention and maintenance of the artwork or elements in compliance with this article.

**ORDINANCE NO. 4635-16**

b) All replacement art and elements shall equal or exceed the value of the original artwork and shall not be less than the original public art assessment requirement. The replacement art shall meet the all of the requirements of this article. All replacement art and elements must be approved by the art in public places committee and the city commission. The replacement art shall be installed and be available for public view not more than six months after the existing artwork is removed, unless this period is extended by the city's director of development services.

**Sec. 78-133. Public projects.**

(a) Applicability. All appropriations and authorizations for the new construction, renovation or remodeling of eligible public improvements by the city shall include an amount of not less than one percent of the total construction costs to be deposited in the art in public places fund.

(1) Eligible public projects subject to the public art assessment shall be:

- (i) Any public building, facility or structure which permits public occupancy of all or a portion thereof, including but not limited to fire stations, police stations, and public community centers.
- (ii) Any vertical construction within a public park or recreation facility

(2) Ineligible public improvements that are not subject to the art assessment are:

- (i) Any road project, including but not limited to construction, resurfacing, curbing, drainage, striping, lighting and signalization.
- (ii) Any public utility project, including water, waste water and stormwater projects.
- (iii) Any sidewalk, pedestrian or bicycle path.
- (iv) Any public building, facility or structure which is not accessible to the public.
- (v) Any project funded by a revenue source which by law cannot be utilized for the acquisition of works of art.
- (vi) Any acquisition of land.
- (vii) Any eligible public construction project where the city commission determines that the project appropriation cannot accommodate the art assessment, or the assessment will result in a cost overrun.
- (viii) Any affordable housing project or project constructed using federal funds which cannot be utilized for public art.

b) Budget. For eligible projects, an estimate of the public art assessment shall be calculated, included and detailed in the project budget. At the start of the fiscal year, or after the adoption of a project budget amendment, the art assessment will be transferred to the art in public places fund.

c) Process. For eligible projects, the art in public places committee shall recommend, for approval by the city commission, whether the public project should include a work of art or historic or cultural element. If approved by the city commission, the art in public

## ORDINANCE NO. 4635-16

places committee shall, with the assistance of city staff, conduct a call to artists for proposals for works of art to be incorporated into the project within the budget and in compliance with the art in public places master plan. The committee shall not recommend works or art for installation on public property which cannot be reasonably maintained within the resources allocated by the city. The city commission shall have the final decision of the selection of the artist and/or the selection of the artwork. If the assessment from a project is not sufficient to acquire a work of art which would comply with the master plan or be appropriate for the city, or if the city commission so determines, the public art assessment from a public project shall be deposited into the art in public places fund and may be pooled with other such funds for the acquisition of a work of art for display at another city facility, in compliance with the public art master plan and at the time and place determined by the city commission.

(b) *Ownership and Maintenance.* All artwork acquired pursuant to this article shall be titled in the name of the city. Artwork installed on city property shall be owned by the city. The city shall be responsible for maintaining its artwork.

### **Sec. 78-134. - Artist grant of license.**

The artist of artwork approved and installed on city property under the art in public places program shall grant to the city an unlimited, perpetual, non-exclusive, royalty-free license to reproduce and distribute two-dimensional reproductions of the artwork, in photos, videos and related media, for city-related purposes; shall grant to the city irrevocable ownership rights in any copyright or other intellectual property right regarding the artwork; and shall waive and release in favor of the city all rights, including the right of attribution or integrity, which artist may have in the artwork. Any such documentation shall be approved by the city attorney. The city shall have the option of acknowledging the artist and the artwork title in reproductions. By participating in the art in public places process, the artist authorizes review by the art in public places committee and compliance with public records laws.

### **Sec. 78-135. – Mural art.**

(a) *Applicability:* The provisions of this section apply to murals to be installed on city or city agency owned property, or murals to be installed on private property with the use of city or agency funds. Murals to be installed on private property without government funding are governed by sec. 94-410 of this code and require a mural permit from the city.

(b) *Application.* An application for approval of a mural by the art in public places committee shall include the following information:

- 1) Professional resume;
- 2) Examples of past work (5 to 10 images);
- 3) Image of building location;
- 4) Description of materials to be utilized;
- 5) A statement describing the mural project, its location, and application process;
- 6) A final rendering of the proposed work to scale on the location site;

**ORDINANCE NO. 4635-16**

- 7) A letter of other document from the property owner agreeing to the installation of the mural;
- 8) Maintenance plan from the artist;

(c) The art in public places committee shall meet and review the application. The art in public places committee shall recommend to the city building official that a mural permit be issued upon findings that:

- (1) The mural will not serve as a sign or advertisement in violation of the city sign ordinances.
- (2) The mural will enhance the aesthetic beauty of the area of its proposed location;
- (3) The size of the mural is appropriate for its location;
- (4) The artist is capable of completing the work in accordance with the plans and specification;
- (5) The proposed materials are durable and graffiti and weather resistant;
- (6) Any structural support or attachments have been approved by a professional structural engineer;
- (7) It is not expected that excessive or costly maintenance will be required.

**Sec. 78-121. -- Definitions.**

Unless qualified in the text, the following definitions shall apply to this article:

~~Art, artwork or work of art means the application of skill and taste by an artist in the creation of original or unique tangible objects according to aesthetic principles, including, but not limited to, paintings, sculpture, engravings, carvings, frescos, stained glass and glass work, mosaics, mobiles, murals, collages, mosaics, statues, bas reliefs, tapestries, photographs, video projections, drawings, fountains, landscape design, artifacts of historical or cultural significance, monuments erected to commemorate a person or event, functional furnishings such as artist-designed seating.~~

- ~~(4) Furnishings or fixtures, including, but not limited to: gates, railings, lighting, street lights, signage, seating, if created by artists as unique elements or limited editions.~~
- ~~(5) Artistic or aesthetic elements of the overall architecture or landscape design if created by a professional artist or a design team that includes a professional visual artist.~~

**ORDINANCE NO. 4635-16**

- ~~(6) Temporary artwork or installations, that serve the purpose of providing community and educational outreach.~~
- ~~(7) The incremental costs of infrastructure elements, such as soundwalls, utility structures, roadway elements, and other items if designed by an artist as a co-designer.~~

~~Ineligible artwork: The following shall not be considered artwork:~~

- ~~(1) Art objects which are mass produced or of standard manufacture, such as playground equipment, fountains or statuary elements, unless incorporated into an artwork by an artist.~~
- ~~(2) Reproductions, by mechanical or other means, of original artwork, except in the cases of film, video, photography, printmaking, or other media arts.~~
- ~~(3) Decorative, ornamental, architectural, or functional elements which are designed by the building architect, as opposed to elements created by an artist commissioned for that purpose.~~
- ~~(4) Landscape architecture and landscape gardening except where these elements are designed by a professional visual artist and/or are an integral part of the artwork by the artist.~~
- ~~(5) Services or utilities necessary to operate and maintain an artwork over time.~~
- ~~(6) Art or artwork that does not comply with the AIPP master plan.~~

~~*Artist* means a practitioner in the visual arts, generally recognized by critics and peers as a professional of serious intent and ability. Indications of a person's status as a professional artist include, but are not limited to, income realized through the sole commission of artwork, frequent or consistent art exhibitions, placement of artwork in public institutions or museums, receipt of honors and awards, and training in the arts.~~

~~*Maintenance* means ordinary repairs or maintenance of a structure, including but not limited to, painting, roof repair or replacement, installation of mechanical equipment, and shall not include modifications required solely for compliance with Americans with Disabilities Act ("ADA").~~

~~*Public place* means any place, public or private, exposed to public view, including, but not limited to, buildings, parks, right-of-way medians and open spaces.~~

~~*Renovation* means and includes alternations to a structure, including but not limited to, a major redesign of a structure, expansion or upgrading the capacity of a structure, increases or decreases to the floor area of a building, creating a new use for the structure, changes to the façade of a building, or other exterior improvements.~~

~~*Total vertical construction costs* means the total project construction costs, excluding engineering and design, demolition costs, real property acquisition costs and soil remediation costs.~~

**Sec. 78-122. – Art assessment—Private development.**

- (a) ~~Applicability.~~ The provisions of this section shall apply to all new private development, new construction, renovation or remodeling, where total vertical construction costs of all buildings on a project site are equal to or greater than \$500,000.00. The art assessment for redevelopment of an existing building shall be calculated based on the construction costs of the new development, excluding the assessed value of the existing buildings. All buildings within new planned developments shall be assessed cumulatively towards this art in public places requirement, even if the buildings are permitted separately or developed in phases. The provisions of this section apply to new development or new construction within existing planned developments.
- (b) ~~Single-family residences not developed as a planned development are exempt from the art assessment. Ordinary property maintenance is exempt from the art assessment. Repairs and restoration resulting from fire, flood, windstorm or other natural disaster, as determined by the building official, are exempt from the art assessment.~~
- (c) ~~Requirement.~~ All applicable new development, construction, renovation or remodeling shall be required to do one of the following within 90 days of the issuance of the first building permit for any portion of the development:
  - (1) ~~Submit documentation evidencing the escrow of funds for a work of art or historic or cultural elements valued in an amount of one percent of the total vertical construction costs, in compliance with this article; and submit an application for approval of the work of art or historic or cultural elements, in compliance with this article; or~~
  - (2) ~~Contribute an amount equal to one percent of the total vertical construction costs for deposit to the art in public places fund.~~

**Sec. 78-123. – Provision of art or elements by developer.**

- (a) ~~Escrow and accounting of funds for artwork.~~ If the developer chooses to provide artwork or historical or cultural elements, the developer shall submit documentation to the city showing that a deposit for public art was made with the developer's attorney into an escrow, account not more than 90 [days] after the issuance of the first building permit, in an amount equal to one percent of the total vertical construction costs. The developer and/or the developer's attorney will provide the city a final written affidavit and accounting of the payment for art and any art consulting fees from the escrowed art deposit at the conclusion of the placement of artwork. This affidavit shall be in a form acceptable to the city. Any surplus balance in the escrow account after the developer has completed the installation of the required art work shall be disbursed to the city and deposited into the art in public places fund.
- (b) ~~Historical or cultural elements.~~ The developer may choose to retain or incorporate historically important or culturally significant elements in the development in lieu of or in addition to artwork. The total value of all historical or cultural elements and/or artwork must equal one percent of the total vertical construction costs.
- (c) ~~Application for art or elements.~~ An application for approval of the work of art or historic or cultural elements shall be made to the arts in public places committee within 90 days of the issuance of the first building permit. The application shall include the

~~artist's resume and portfolio establishing the artist's credentials; a detailed description of the work of art and its location on the site; and the evaluation or appraisal of the value of the art or element. Drawings and renderings of the proposed work of art, in terms of size, scale, color, shape, materials and maintenance program, shall be submitted in sufficient detail to provide the committee with a clear understanding of the art or elements proposed.~~

- ~~(d) *Board review of contribution of art and elements.* The art in public places advisory board shall review the proposed artwork or historical or cultural elements based on the standards established in this article and shall recommend to the city commission whether to approve, deny, or approve with conditions the selection and location of the artwork or elements in accordance with the art in public places implementation guidelines and with sensitivity to the aesthetic and cultural traditions and the history of the city, and to the character of the surrounding neighborhood.~~
- ~~(e) *Location.* Artwork and/or historical or cultural elements must be located to be readily visible to the public based on normal traffic of vehicles and pedestrians in the area.~~
- ~~(f) *Artist selection.* If the developer chooses to provide artwork, the selection and commissions of the artists shall be by written contract between the developer and artists.~~
- ~~(g) *Art consultant.* If the developer chooses to provide artwork, the developer may utilize up to 12 percent of the escrowed art deposit to retain an art consultant to assist in the selection and procurement of the required work of art. The art consultant shall have no financial or other relationship with the artist or developer, nor any ownership in the artwork purchased by the developer. The artist shall not be entitled to the art consultant fee.~~
- ~~(h) *Appraisal.* To establish the value of the artwork to be installed or historical or cultural elements to be installed or retained by developer to comply with this article, the city may employ an independent art appraiser to provide a written appraisal of the art work(s) submitted or cultural or historic elements. Such appraisal will be paid for by the developer from the escrowed art deposit.~~
- ~~(i) *Vertical construction cost overruns.* Prior to the issuance of the final certificate of occupancy for a project, the developer shall submit a revised construction cost affidavit, which shall be submitted whether developer elected to pay the art assessment or install artwork. If the final cost of the total vertical construction for the project is higher than the initial project cost estimate used to calculate the art assessment or escrowed art deposit, the developer shall either: i) provide additional art for the project valued at one percent of the increase in the total vertical construction cost or ii) provide an additional deposit to the art in public places fund valued at one percent of the increase in the total vertical construction cost. The additional art shall be installed or the deposit shall be made prior to issuance of the final certificate of occupancy.~~
- ~~(j) *Certificate of occupancy.* Unless an alternative deadline is established in a development order, or a time extension is granted by the director of development services, no certificate of occupancy for the project shall be issued until the artwork is installed, the final revised construction cost affidavit and accounting of the escrowed art funds has been provided; and/or the full art assessment has been paid to the city.~~

**Sec. 78-124. - Ownership and maintenance of private art.**

~~Artwork installed on private property pursuant to the requirements of this article shall be the property of the property owner. Title and ownership of the artwork shall transfer in whole or in part to any successor in interest of the property. The property owner shall be responsible for maintenance of the art work in good condition at all times, as determined by the city's code enforcement official. The property owner shall be responsible for ensuring that the public's view of the artwork is maintained and no vegetation or additional construction shall obstruct the public's view. Maintenance shall include any associated landscaping or related improvements. In the event of destruction or casualty to the artwork, the property owner shall repair or replace the artwork with art equal in value to the value of the artwork originally installed. If the artwork is to be replaced, the art in public places advisory board shall review the proposed artwork and shall recommend to the city commission whether to approve, deny, or approve with conditions the selection of the artwork in accordance with the art in public places implementation guidelines.~~

**Sec. 78-125. - Removal or replacement of art.**

~~Artwork or elements installed in accordance with this section shall remain on site in the approved location and cannot be altered, replaced or removed without prior approval of the city commission, except when deemed to be unsafe by the city building official, in which case it must be replaced within 12 months. This includes necessary replacement due to damage from natural disasters, in which case the director of development services may extend the time for replacement. All replacement art and elements must be approved by the art in public places committee and the city commission.~~

**Sec. 78-126. - Public development.**

- ~~(a) — *Art assessment.* All appropriations and authorizations for the new construction, renovation or remodeling of eligible public improvements by the city shall include an amount of not less than one percent of the total vertical construction costs to be deposited in the art in public places fund.~~
- ~~(1) — Eligible public improvements shall be:~~
- ~~a. — Any public building, facility or structure which permits public occupancy of all or a portion thereof.~~
  - ~~b. — Any public park or recreation facility.~~
  - ~~c. — Any sidewalk, pedestrian or bicycle path.~~
- ~~(2) — Ineligible public improvements that are not subject to the art assessment are:~~
- ~~a. — Any road project, including but not limited to construction, resurfacing, curbing, drainage, striping, lighting and signalization.~~
  - ~~b. — Any public utility project, including water, waste water and stormwater projects.~~
  - ~~c. — Any public building, facility or structure which is not accessible to the public.~~
  - ~~d. — Any project funded by a revenue source which by law cannot be utilized for the acquisition of works of art.~~
  - ~~e. — Any acquisition of land.~~

- ~~f. Any eligible public improvements where the city commission determines that the project appropriation cannot accommodate the art assessment, or the assessment resulting from a cost overrun.~~
- ~~g. Any affordable housing project or project constructed using federal funds which cannot be utilized for public art.~~
- ~~(b) *Ownership and maintenance.* Artwork installed on city property shall be owned and maintained by the city.~~

**Sec. 78-127. - Artist grant of license.**

~~The artist of artwork approved and installed under the art in public places program shall grant to the city an unlimited, perpetual, non-exclusive, royalty-free license to reproduce and distribute two-dimensional reproductions of the artwork, in photos, videos and related media, for city-related purposes; shall grant to the city irrevocable ownership rights in any copyright or other intellectual property right regarding the artwork; and shall waive and release in favor of the city all rights, including the right of attribution or integrity, which artist may have in the artwork. Any such documentation shall be approved by the city attorney. The city shall have the option of acknowledging the artist and the artwork title in reproductions. By participating in the art in public places process, the artist authorizes review by the art in public places committee and compliance with public records laws.~~

**Sec. 78-128. - Art in public places committee created; membership and organization.**

- ~~(a) There is hereby created the city art in public places committee to consist of seven members and two alternate members appointed by the mayor. The first three appointees shall serve a term of one year, the second two appointees shall serve a term of two years, and the last two appointees shall serve a term of three years. Thereafter, all terms shall be for three years expiring on a staggered basis.~~
- ~~(b) The art in public places committee shall designate one of its members to act as chair for a term of one year, or until a successor is elected and qualified. The art in public places committee shall maintain minutes of all of its meetings.~~
- ~~(c) Each member of the art in public places committee shall serve without compensation.~~
- ~~(d) Alternate members shall attend all meetings of the art in public places committee and the presence of alternate members shall count toward a quorum. The first alternate member shall have the privilege of voting only upon the absence of a regular member. The second alternate member shall have the privilege of voting only upon the absence of two of the regular members or the absence of one regular member and the first alternate.~~

**Sec. 78-129. - Powers, duties and functions.**

- ~~(a) The art in public places committee shall:
  - ~~(1) Advise the city commission on the adoption of policies and procedures to acquire, commission and maintain works of art in public places.~~
  - ~~(2) Advise the city commission regarding applications for the installation of art as part of a private development pursuant to this article.~~~~

**ORDINANCE NO. 4635-16**

- ~~(3) Sponsor public information and advocacy efforts on behalf of art in public places.~~
  - ~~(4) Advocate the enactment of public laws relating to art in public places.~~
  - ~~(5) Identify sites in accordance with the AIPP master plan.~~
  - ~~(6) Identify sources of funding for art in public places exhibitions.~~
  - ~~(7) Sponsor or endorse exhibitions of art in public places in any of the following ways:
    - ~~a. Identify loaned or contributed works of art for publicly owned or readily visible sites.~~
    - ~~b. Identify appropriate commissioned works of art for publicly owned or readily visible sites.~~
    - ~~c. Identify an artist or work of art for publicly owned or readily visible sites.~~
    - ~~d. Identify a work of art from several proposals submitted by an approved artist for a publicly owned or readily visible sites.~~
    - ~~e. Endorse an approved work of art for publicly owned or readily visible sites.~~~~
  - ~~(8) Retain consultants to prepare, and from time to time recommend to the city commission, an art in public places master plan that identifies proposed locations and criteria for public artwork, art selection and placement criteria, recommendations regarding administration of the art in public places funds, and other program recommendations. It is the intent that such master plan be updated every five years.~~
  - ~~(9) Provide recommendations and guidance in implementation of AIPP master plan.~~
  - ~~(10) Report to the city commission, on an annual basis, the status of the AIPP program, the application of the master plan, the use of art in public places funds and the fund balance.~~
- ~~(b) The art in public places committee shall not, in any fiscal year, spend more than \$10,000.00 from the art in public places fund for duties and functions authorized by this article, without authorization by the city commission.~~
- ~~(c) The recommendations of the art in public places committee to the city commission shall be advisory only, and may or may not be consistent with similar recommendations made to the city commission by the city planning board, zoning board, downtown action committee, historic preservation board and/or the city parks and recreation committee relating to art in public places.~~

**Sec. 78-130. - Criteria for art and elements.**

~~The art in public places committee shall consider the following criteria in recommending approval or disapproval of a work or art or historic or cultural element. In specific cases, the committee may recommend approval of a work of art that the committee considers exceptional, but does not meet all of the criteria.~~

- ~~(1) The proposed art conforms to the definition of art contained in this article and will be created by an artist as defined in this article;~~
- ~~(2) The proposed historic element is historically important, reflects the history of the city or the character of the surrounding neighborhood;~~

## ORDINANCE NO. 4635-16

- ~~(3) The proposed element is culturally significant and reflects the aesthetic and cultural traditions and diversity of the city or the surrounding neighborhood.~~
- ~~(4) The proposed art and/or element(s) meet or exceed the valuation requirements of this article.~~
- ~~(5) The proposed art/element will be readily visible to the public and meet the location requirements of this article.~~
- ~~(6) The proposed art/element is of exceptional quality and enduring value;~~
- ~~(7) The proposed art/element is of appropriate scale to the development site;~~
- ~~(8) The proposed art/element is compatible with the neighborhood;~~
- ~~(9) The proposed art/element is not detrimental to the public welfare;~~
- ~~(10) The proposed art/element will not constitute a safety hazard;~~
- ~~(11) The proposed art/element will not require extraordinary maintenance.~~

### ~~• Sec. 78-131. – Art in public places fund.~~

- ~~(a) A separate art in public places fund shall be established by the city. All art assessment deposits from private and public development shall be deposited into this fund and the funds shall be kept separate from any other city funds. The art in public places fund shall be used by the city for the selection, commission, acquisition and maintenance of works of art in public places, which may include private property exposed to public view. Funds may be spent anywhere in the city, and such funds may be spent on art works or art-related costs including, but not limited to, consulting, engineering, appraisals, lighting, aesthetic features, maintenance of art, and to promote public art and the public art process in the city. Use of such funds shall be determined by the city commission following a recommendation by the art in public places committee in accordance with the art in public places implementation guidelines. Prior to the use of any funds for artwork on private property, a written agreement detailing the use of funds, the ownership and maintenance responsibilities and other terms as determined by the city attorney shall be entered into with the property owner and approved by the city commission.~~
- ~~(b) Any monies not expended in the fund in any fiscal year shall be carried over in the fund into the following year. Any interest earned on the funds shall be retained in the fund. Not more than 15 percent of the fund shall be used for the administration of the art in public places program in any budget year. Not more than 15 percent of the fund shall be used for the maintenance of public art installed on public property in any budget year, without authorization by the city commission. The intent is that 70 percent of the fund shall be used for the selection, commission, acquisition, construction and installation of artworks.~~

### ~~Sec. 78-132. – Enforcement.~~

~~The provisions of this article may be enforced through any remedy available to the city in law or in equity. Violations may be enforced through the code enforcement provisions of chapter 26; or through the provisions of section 1-13; or the city may institute a civil action in a court of competent jurisdiction to seek injunctive relief to enforce compliance with the terms of this article or any rule or regulation promulgated under this section, to enjoin and prohibit said violation or to compel the performance of actions which will result in compliance with the terms of this article. The city shall recover its court costs and reasonable attorneys' fees in any legal~~

~~proceedings commenced to enforce this article. These remedies are cumulative and the use of any appropriate remedy shall not constitute an election of other remedies by the city. The use of one remedy shall not preclude the use of any others.~~

- ~~Secs. 78-133-136—78-150. - Reserved.~~

**SECTION 2:** The Code of Ordinances of the City of West Palm Beach is hereby amended at Chapter 94 (Zoning and Land Development Regulations), Article XIII (Sign Regulations) Section 94-410 (Murals) which shall read as follows:

- **Sec. 94-410. - Murals.**

(a) A mural may be located anywhere in the city provided it is first approved by permit issued by the city building official in accordance with the procedures and criteria listed in this section.

(b) An application for a mural permit shall be filed with the city building and zoning department and shall include:

- (1) The name of the artist;
- ~~(2) Examples of previous works done by the artist with references;~~
- (2) Description of the materials to comprise the mural and manner of application;
- (3) A statement regarding the durability of the materials considering the location and positioning of the mural; and
- (5) Plans for installation of the mural, including the need for scaffolding, and/or other equipment to be attached to the building, and specification for the proposed mural including an exact picture, graphic or other description.

~~(c) Not less than 15 or more than 30 days after submittal of a complete application, the city art in public places committee shall meet and review the application. The art in public places committee shall recommend to the city building official that a mural permit be issued upon a finding that:~~

- ~~(1) The mural will enhance the aesthetic beauty of the area of its proposed location;~~
- ~~(2) The artist is capable of completing the work in accordance with the plans and specification;~~
- ~~(3) The information regarding durability and expected maintenance requirements is accurate; and~~
- ~~(4) The materials to be used and the manner of application will not require excessive maintenance by its owner.~~

~~(d) In making its determination, the art in public places committee may consider evidence of property values and the opinions of the owners and occupants of affected properties. Absent favorable findings as required hereby, the art in public places committee shall recommend that a mural permit not be issued by the city building official.~~

**ORDINANCE NO. 4635-16**

~~(ce) Upon a favorable recommendation of the art in public places committee, Upon receipt of a complete application, the city building official shall review the application materials to determine that:~~

- ~~(1) The plans and specifications for installation completion of the work is reasonable;~~
- ~~(2) Excessive maintenance should not be required; and~~
- ~~(3) The materials to be used and the manner of application will not impact or harm neighboring properties, the public or the environment.~~

~~and the information received by the committee and shall, upon making such determinations, that the application materials are complete and accurate and the findings of the committee reasonable, issue a mural permit. Absent such a determination, the building official shall deny the application. Upon an unfavorable recommendation of the art in public places committee, the city building official shall not issue a mural permit. The building official may consult with other city staff to obtain information needed to make the determinations.~~

~~(f) Within 15 days of the meeting of the art in public places committee, the building official shall decide whether or not a mural permit shall be issued. Any person aggrieved by the decision of the building official may appeal such decision within 15 days thereof to the city commission which shall apply the standards set forth in this section in reviewing the decision of the building official. The city commission may affirm, reverse or reverse with modifications the decision of the building official. The decision of the city commission shall be final.~~

**SECTION 3:** Ordinance 4504-14, and all other ordinances or parts of ordinances in conflict herewith are hereby repealed.

**SECTION 4:** If a court of competent jurisdiction holds any section, subsection, sentence, clause, phrase, or provision of this Ordinance invalid or unconstitutional, such invalidity or unconstitutionality shall not be construed as to render invalid or unconstitutional the remaining provisions of this Ordinance.

**SECTION 5:** Authority is hereby granted to codify the text amendments set forth in Sections 1 and 2 of this Ordinance.

**SECTION 6:** This Ordinance shall take effect after Second Reading and passage as provided by law.
