City Green Task Force Members,

Please find below instructions to access on the presentation given by Jennifer from Trifecta Construction Solutions in Boynton Beach. Ira Raab saw the presentation and he and Al Vazquez thought that it would be interesting for Task Force members. Since there was some difficulty for some in opening it, there are some further suggestions just below.

To open go to: <ftp.trifectaconstruction.com>

User name: **boynton**

Password: **trifecta**

Sometimes it works better if you type <ftp.trifectaconstruction.com> in the address bar in WINDOWS explorer (type over where it says "my computer") – if that still doesn't work I suggest downloading "Filezilla" - free software that allows you to view FTP addresses.

Thanks.

Suzanne Schluter

Office of Sustainability  
City of West Palm Beach

Please save paper and trees. Print only what you need.

Dear Penni and Al:

I tried to log in with the name and password, but it didn't work. If either of you were succesful, please send it to all CGTF members, including me

Thank you.

JUSTICE IRA J. RAAB

Dear Jennifer:

It was a pleasure hearing your presentation last night in Boynton Beach.

I reported to the Chair of the West Palm Beach City Green Task Force (CGTF), and conveyed to him your wonderful offer to share your power point presentation

Trifecta Construction Solutions presentation 8-4-09

electronically to the Members of the WPB CGTF.

Al Vasquez, our Chair, asked me to communicate with you and to ask you to email the power point presentation to Penni Redford, the Sustainability Director of the City of West Palm Beach. She, in turn, will relay your email to our Members.

Therefore, please email your power point presentation to Penni at [Sustainability@wpb.org](mailto:Sustainability@wpb.org), with a c.c. to Al and to me.

Thank you so much for all you are doing to make this world a better and healthier place in which to live and work, for ourselves, our children, grandchildren, and for all the generations to come.

JUSTICE IRA J. RAAB
