

WEST PALM BEACH

DEVELOPMENT SERVICES DEPARTMENT
401 Clematis St.
West Palm Beach, FL 33401
Telephone: 561-805-6700
permits@wpb.org

Application Date: _____

FACILITIES OF THE CITY ARE NOT INVOLVED IN THE DEMOLITION REFERENCED BELOW.

- 1. The City of West Palm Beach will disconnect the water service(s) to this property, locate and mark the sanitary sewer lateral at the connection to the City sewer line or force main.
2. After your licensed plumber pulls a plumbing permit and completes capping the sanitary sewer lateral, please contact our Development Services Department at (561) 805-6700 for an inspection before starting demolition.
3. Application for permit is being made by the undersigned for the utilities demo and removal of:

Detailed description of structure to be removed:
Street Address:
Property Control Number:

Approximate date of Demolition: _____ Public Utility Account Number: _____
Name of Applicant: _____ Owner: _____ Contractor _____
Mailing Address: _____ City: _____ State: ___ Zip Code: _____
Telephone Number () _____ Fax Number () _____ Cell Number () _____

Will Utility account remain active during demolition? Yes (Active Utility Account Required) No
If water meter is NOT being removed please be aware of and follow steps 1 through 4.

FOR PARTIAL DEMO ONLY

- 1. Your plumbing contractor must be on site at time of demolition.
2. Any damage done to City lines will be the responsibility of the contractor.
3. When lines are cut and capped, call City of WPB Development Services at (561) 805-6700.
4. If the existing water service will be used during the demolition process, a backflow prevention device is required on the service and a permit is required for the device.
