Private Property Special Event Permit Conditions and Information

Special event permits required if any one condition is met:

- Require street closings or detours such that the usual flow of pedestrians or vehicular traffic is inhibited; or
- Utilizes city property above normal usage; or
- Are intended to or likely to attract groups of 50 or more people; or
- May be gated or fenced, and for which tickets may be sold; or
- Are unlike the customary or usual activities generally associated with the property use, building use, or business use; or
- Require the use of city resources, financial or otherwise, in excess of the City's normal day to day operations; or
- Any additional criteria as deemed by the mayor.

A special event permit on private property approved pursuant to this article shall be subject to the following conditions:

- a. The event shall comply with the noise control regulations outlined in article II of chapter 34 of this code.
- b. All city ordinances, §rules 26or regulations applicable to the use of the property on which the special event will occur shall be obeyed, unless previously and specifically waived by the planning and zoning administrator as part of the special event permit approval.
- c. The sale of alcohol requires a permit/license from the Florida Division of Alcoholic Beverages and Tobacco.
- d. Tents larger than 120 square feet, stages, electrical and cooking facilities require a permit from the city's construction services division.
- e. The use of the public road right-of-way for parking, loading or valet service requires the approval of a right-of-way permit from the agency having jurisdiction over the right-of-way.
- f. Copies of all permits shall be on-site during the entire event, including set up and break down periods.

Limitation on special events in residential districts:

1. No more than six special events may be held on a private property in a 365-day period. The first event date for a multi-day special event will be used for calculation purposes.
2. Notwithstanding the foregoing, a 501(c)(3) not-for-profit organization may be granted up to 18 special event permits in a 12-month period, provided each of the following conditions are met:
 - The event is directly related to the mission or fundraising of the organization;
 - The event space will be the same location as the organization's physical address.
 - There will be no more than four special events in any given month, with a maximum of 18 special events in any 12-month period.
 - The organization shall have an effective off-site parking lease, rental, or similar contractual agreement for use of a non-residential lot, located within one-half mile of the special event location, which will accommodate the number of expected vehicles that will need to be parked for the special event.
 - Evidence of valid 501(c)(3) status and the parking agreement shall be submitted with the permit application.
3. The city may deny or revoke any such organization's special event permit for documented failure to comply with permit requirements or violations of other ordinances or laws at two or more events in any 12-month period.
4. An application for a special event permit on private property which includes parking (self or valet), valet operation or loading on a right-of-way, will not be processed by the city unless the applicant has first secured approval for the use of the right-of-way from the appropriate right-of-way authority. Valets may not park cars on residential streets. Parking for a special event that is being provided at an off-site property requires that the applicant provide notarized authorization from the off-site property owner for use of the property for parking during the event. The owner providing the authorization must be the property owner as listed on the Palm Beach County Property Appraisers website. If the owner is not an individual(s), the application must be signed by a person authorized to legally bind the owner and such signature shall be notarized.
5. A special event in a residential district may not exceed three consecutive days, excluding set up and break down.
6. No permit applications will be issued by the city if an applicant is financially indebted to the city for any reason, including, but not limited to, ad valorem property taxes, special assessments, city utility charges, code enforcement fines, and other government-imposed liens.
