Downtown/City Center CRA District

LIGHT UP THE NORTHWEST PROGRAM

Program: Light up the Northwest
(Single-Family and select Multi-Family properties)

Objectives: To increase safety and the perception of safety within the residential core of the Historic Northwest District.

Description: This program is created to enhance safety for the residents of the Historic Northwest by providing solar, motion detected security lighting for the front and back of residences. Each resident will receive up to two (2) lights that will be purchased and installed by the CRA and its program partners.

Complete applications will be approved on a first-come, first-serve, priority basis.

The Light up the Northwest Program benefits are contingent upon funding availability and CRA approval and are not to be construed as an entitlement or right of a property owner or applicant. Properties in the designated CRA areas are not eligible for CRA funded programs when such funding conflicts with the goals expressed in the CRA Strategic Finance Plan or Community Redevelopment Plan.
