VI. Develop an M/WBE Program Outreach Campaign

The City of West Palm Beach is Open to Business

Join us on Thursday, September 7, as we share how to do business with The City of West Palm Beach. At the FREE "Open to Business" workshop, learn about:

- Details on bid-ready projects
- Almost \$170 million in approved funds
- How to potentially benefit from the county's 1 cent sales tax increase
- Programs designed specifically for women, minorities and service-disabled veterans and small businesses

Hear more about The City's procurement opportunities in the area of goods and services, construction and professional services. Talk one-on-one with City Representatives. Get your certification paperwork on-site!
